PLANNING YOUR EVENT WITH HERBAN FEAST

Let us handle the details – as much or as little as you want us to – so you can enjoy your event. Being a full service caterer, this means we will provide all the tools and advice to guide you smoothly through the process.

Our vision of full service catering includes:

- Private tastings at \$50/pp. This is credited to your contract upon booking
- Complimentary seasonal open house tastings
- Complimentary logistics meeting (up to 2 hours) in which we cover guest flow, set up details, timeline, décor & styling and vendors.
- Complimentary site visit – no matter the size of your event
- Complete set up, breakdown and clean up of all equipment and the venue. We can haul away garbage, compost & recycle if necessary.
- Equipment coordination: Herban Feast or your wedding planner is happy and willing to coordinate any and all of your equipment needs with a valued partner vendor

Key dates:

We want to do the best job possible and there are certain tools that we require prior to your event to ensure seamless & flawless service from beginning to end:

- Finalized Menu – 1 month
- Guaranteed Guest count – 7 days
- Confirmed timeline – 10 days

Menus:

We offer a variety of seasonal featured menus, kids meals, vendor meals as well as create custom menus to fit themes and many dietary restrictions. Herban Feast prides our selves on quality & freshness, so we do our best to cook on site. This may mean additional kitchen equipment needs to be rented.
